14. [REDACTED] *elec surv.* LIAISON Called Ira Goldman, on the staff of Representative Robert McClory (R., Ill.), in regard to his request for clearances. He said FBI and DOD had told him they could not grant him the type of clearance he wanted and asked what he should do. I said that George Cary would get back in contact with him because it appeared Mr. Goldman had misunderstood Mr. Cary's earlier comments. Mr. Goldman also said he did not feel it was necessary at this time that representatives of OGC and OLC sit down with him to discuss electronic surveillance legislation. He also said he would try to get the transcript of the 18 January 1978 hearing on electronic surveillance before the House Permanent Select Committee on Intelligence Subcommittee on Legislation.
